Vehicle Service & Maintenance Log

Keep a running record of your car's servicing — useful for upkeep and resale value.

Vehicle: Make/model _____ Reg. _____ Year _____

Date	Odometer (km)	Service / work done	Parts replaced	Cost (Ksh)	Garage / notes

Tip. A complete, consistent service history boosts resale value and helps you spot recurring issues early. Keep receipts with this log, and service on time rather than waiting for something to go wrong. This is a general template, not professional advice.
